## KEY DATES

# ENTRY AT 11+ TO WESTMINSTER

## OPEN DAYS

[westminsterunder.org.uk/admissions/open-days](https://westminsterunder.org.uk/admissions/open-days)

Parents and children who are eligible to apply for 11+ entry in September 2027 are invited to visit the School for a combined tour, to learn more about us and about Westminster School.

The first part of the tour will be at Westminster Under School. You will then be met by Westminster School pupils, who will escort you via Vincent Square and our Sports Centre, up to Little Dean's Yard, for a tour of Westminster School. The entire tour will last approximately two-and-a-half hours.

## REGISTRATION

[westminsterunder.org.uk/admissions/11-entry](https://westminsterunder.org.uk/admissions/11-entry)

Parents who wish to register their child for entry in Year 7 (11+) should complete the online registration form, which can be found in the Admissions section of the School website: [www.westminsterunder.org.uk/admissions](https://www.westminsterunder.org.uk/admissions). The deadline for September 2027 entry is **Wednesday 30 September 2026**, including fully completed SEND reports, music scholarship and bursary applications. In line with our Admissions Policy, late applications cannot be accepted.

## 11+ ENTRANCE ASSESSMENTS

### ISEB COMMON PRE-TESTS

[iseb.eva.tech/guardian](https://iseb.eva.tech/guardian)

Due to the increasing number of children applying for 11+ entry, in line with other schools, we now make use of electronic assessment in the admissions process. These are set by the ISEB (Independent Schools Examination Board) and are called the Common Pre-Tests. They are used by many senior schools.

Children who have registered will be invited to sit these electronic assessments on Monday 23 November 2026 at Westminster Under School or at your child's present school at any point until Monday 7 December 2026. The tests will consist of papers in mathematics, English, verbal reasoning and non-verbal reasoning

and can only be taken once for all schools you are applying for.

Tests can be taken at the child's current school or another authorised venue.

**Parents will need to confirm this with them directly and where possible should contact our Registrar, Alycia Lee ([wusregistrar@westminster.org.uk](mailto:wusregistrar@westminster.org.uk)), to inform her of this arrangement.**

Parents must now register their child directly with the ISEB at <https://iseb.eva.tech/guardian/applicants>. For more information, please visit the ISEB website at <https://www.iseb.co.uk/families-hub/>.

## WRITTEN PAPERS

[westminsterunder.org.uk/admissions/11-entry](https://westminsterunder.org.uk/admissions/11-entry)

Approximately 100 children are selected for the next stage in the admissions process. They will be invited back on Saturday 9 January 2027 to take additional written papers in mathematics and English. These papers can only be taken at Westminster Under School.

### Mathematics

We expect all children sitting the 11+ mathematics test to have completed the standard programme of study contained within the National Curriculum at Key Stage 2, or its equivalent. We would also expect that these children are able to achieve very strong Level 5 in their Key Stage 2 SATs or their equivalent. We are particularly interested in the children's ability to apply the mathematics they have learnt in the context of problem solving.

### English

Children will be tested on their reading and writing skills, though the precise nature of these assessments will vary from year to year. Examples might include comprehension, descriptive writing activities, short reviews and invitations to continue a passage in the voice of the author. We are particularly interested in children with a history of wide-ranging and ambitious reading – in particular those with a developing awareness of *how* great writers use language for effect. Children will be expected to demonstrate a skilful use of a wide vocabulary and show that they are able to write both fluently and accurately.

## INTERVIEW AND PLACE OFFERS

Based on the results of the written papers, we will invite approximately 60 children back for interview, on either the afternoon of Wednesday 20 January or Monday 25 January 2027.

The children will participate in various classroom activities with Westminster Under School teachers, and they will have an interview with members of staff from both Westminster Under School and Westminster School.

## SPECIAL EDUCATIONAL NEEDS AND DISABILITY (SEND) ADMISSIONS

Parents should inform the Admissions Department about a candidate's particular needs, providing any reports from suitably qualified professionals. The School is happy to make reasonable adjustments to the admissions process to enable SEND pupils to participate fully and to the best of their abilities. Extra time will be given if a relevant report states this is recommended. The Head of Learning Development (SENCO) works closely with the Admissions team to make decisions about any access arrangements requested for entrance exams. The regulations set out by the Joint Council for Qualifications (JCQ) are used to determine whether or not a prospective pupil should be allowed any concessions in the entrance exams.

## ENGLISH AS AN ADDITIONAL LANGUAGE (EAL)

The School accepts pupils whose first language is not English, and indeed, many Westminster Under School pupils speak two or three languages fluently, but lessons move at a fast pace and a pupil who does not speak good English could struggle. Proficiency in English will be assessed to ensure an applicant has the minimum necessary skills.

## MUSIC SCHOLARSHIPS

[www.westminsterunder.org.uk/admissions/scholarships-and-bursaries/](http://www.westminsterunder.org.uk/admissions/scholarships-and-bursaries/)

A number of awards of up to 10% remission of current academic tuition fees with free instrumental tuition are offered annually for children at 11 years of age who show outstanding potential in at least one instrument.

The standard expected of candidates will be Grade 5 onwards and, though not essential, some skill on a second instrument should be encouraged. Orchestral instruments are preferred. Award holders will be expected to play a full and lively part in the musical life of the School.

Candidates will be required to play two contrasting pieces on their principal instrument and one piece on their second, to read at sight and to attempt a few ear tests. Choristers are also invited to sing. An accompanist will be provided by the School, so we ask that candidates do not bring their own. Plenty of time is allocated for rehearsal.

Candidates for music awards must sit the School's entrance examinations in January. Instrumental auditions will also be held in January whilst choral auditions will be held upon commencement at the Under School in September. The closing date for entries to these awards is Friday 11 December 2026 but the Director of Music will be pleased to meet prospective candidates beforehand by arrangement.

# ACADEMIC BURSARIES

[www.westminsterunder.org.uk/admissions/scholarships-and-bursaries/](http://www.westminsterunder.org.uk/admissions/scholarships-and-bursaries/)

The purpose of a bursary is to give financial support to a child who has the academic ability to benefit from a Westminster education but whose parents would not be able to afford the fees either wholly or in part without unacceptable hardship.

Only children applying for entry into Year 7 are eligible to apply for bursaries. The School does not provide financial support for children entering into Year 3 or Year 4.

Every child who enters Westminster Under School must win their place on academic merit. This is determined by examination and interview.

Bursaries are available where the parents and children fall into one of the following categories:

- British citizens in possession of a British passport (The United Kingdom of Great Britain and Northern Ireland) **at the time of applying for a bursary;**
- Citizens of the EEA or Switzerland, as defined by the UKVI, in possession of an EEA or Swiss passport or ID, who live in London. See website: <https://www.gov.uk/browse/visas-immigration/eu-eea-commonwealth>

Parents should consult the UKVI website for a detailed explanation of the criteria established by the United Kingdom. These criteria are used by the School. Parents who qualify under the above criteria must also live within the M25 orbital. The expectation is that their child will commute from home to School each day, with a maximum journey time of one hour door-to-door.

- Bursaries are not available to children of parents who are in the UK on a visa (general, student, child, business, special, or medical) or entering the UK under Tier 2 or Tier 4 of the UKVI Points Based System.
- Bursaries are not available to children of parents who live outside the M25 orbital and beyond daily commuting range to School, defined as a maximum journey time of one hour door-to-door.

There are no exact financial criteria for bursaries but in judging a family's needs, all income, essential expenditure, and all assets in savings, investments and property will be assessed. Where, for example, a home is considered to be too large, in an expensive area or where excess equity could be released, a family may be expected to downsize or remortgage as necessary to release funds. Parents who own a second home do not qualify as they would be expected to release equity in order to meet fees. It is also expected that savings in shares, ISAs, and other investments will be released. The School will then assess what level of bursary (between 10% and 100% of the fees) is needed. If in doubt of eligibility for a bursary, parents are encouraged to apply.

## THE BURSARY PROCESS

There are three stages to the bursary assessments:

### 1 Parents' passports

Photocopies or scans of both parents' passports must be provided as evidence of eligibility to apply for a bursary on grounds of nationality. If eligible, the next stage is Part A. **This must be completed by the September deadline.**

### 2 Initial Assessment

The purpose of the initial assessment is for parents to provide a brief summary of their financial circumstances so that the School can establish whether a bursary is likely to be needed. It is essential that the Part A Form is completed by the 30th September deadline, as late applications cannot be accepted. Any relevant background information should be included in the 'Additional Comments' section of the Part A Form.

For applications from single parents, the following information regarding the child's circumstances must be provided:

- a Where is the other parent now?
- b Has the child's other parent remained in contact?
- c If not, when did their contact cease?
- d Does the child's other parent contribute financially for the child?
- e If not, when did they cease contributing?

### **3 Part B (In Depth Assessment)**

If your child is called back to the second round of tests, you will receive an email which will include a link for the Part B Forms. All information will need to be uploaded electronically by the date given. The intention of the School is to make a full assessment of a family's financial circumstances and needs. Part B will ask for several pieces of information and supporting evidence. It is essential that the Part B Form is completed in full and that copies of all supporting documents required are provided.

For a full list of the documents needed, please visit our website:

[www.westminster.org.uk/admissions/bursaries](http://www.westminster.org.uk/admissions/bursaries)

All bursary awards are decided by the Master of the Under School and the Head Master of Westminster School on the advice of the Bursar. It is not possible to give a forecast of the level of any bursary award in advance.
